BRIEF ABSTRACT OF LETTER.

Suggests that the two Itinerant dispensaries in the Hassan dist^t be named (1) the Hathur Itinerating dispy & (2) Chickanhalli Itinerant dispensary after the central places selected by the Hassan dist^t Committee and requests Sanction to the Scale of Expenditure Amounting to Rs 4912 for each of the dispensaries.

NOTES AND ORDERS.

The Senior Surgeon's estimate of Rs 2000 for medicines seems rather too much but we have no data to reduce it. In his U.O note in Mys^l file 38-13 x: Travelling dispensaries, the Sanit^y Comm^r provided a sum of Rs 50 per mensem for each Itinerant dispy on account of Special

medicines. From the dispensary statistics for the year 1914, it is seen that the expenditure on account of European & Country medicines for the Civil Hospital at Hassan during the year was Rs 658/ and the nos. of in- and out-patients treated in the said Hospl during 1914 was 246 & 14791 respectively. Judging from these figures, the estimate of Rs 2000 for medicines seems to admit of reduction.
